

UNDERSTANDING THE UK DRONE CODE

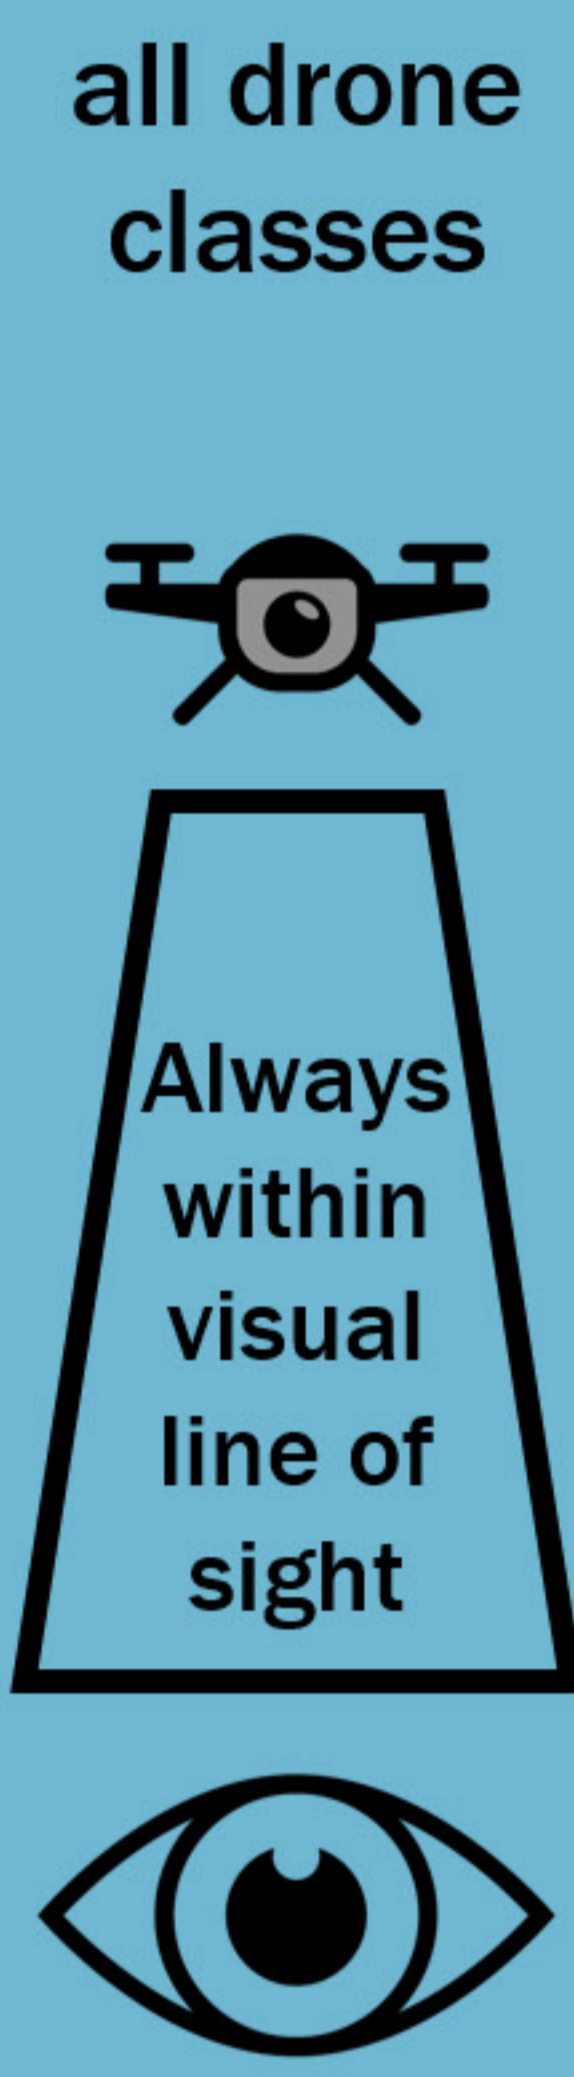

2021 AND BEYOND

Applies to legacy (unclassified) drones when flown for hobbyist (non-commercial) use
version 03/02/2021

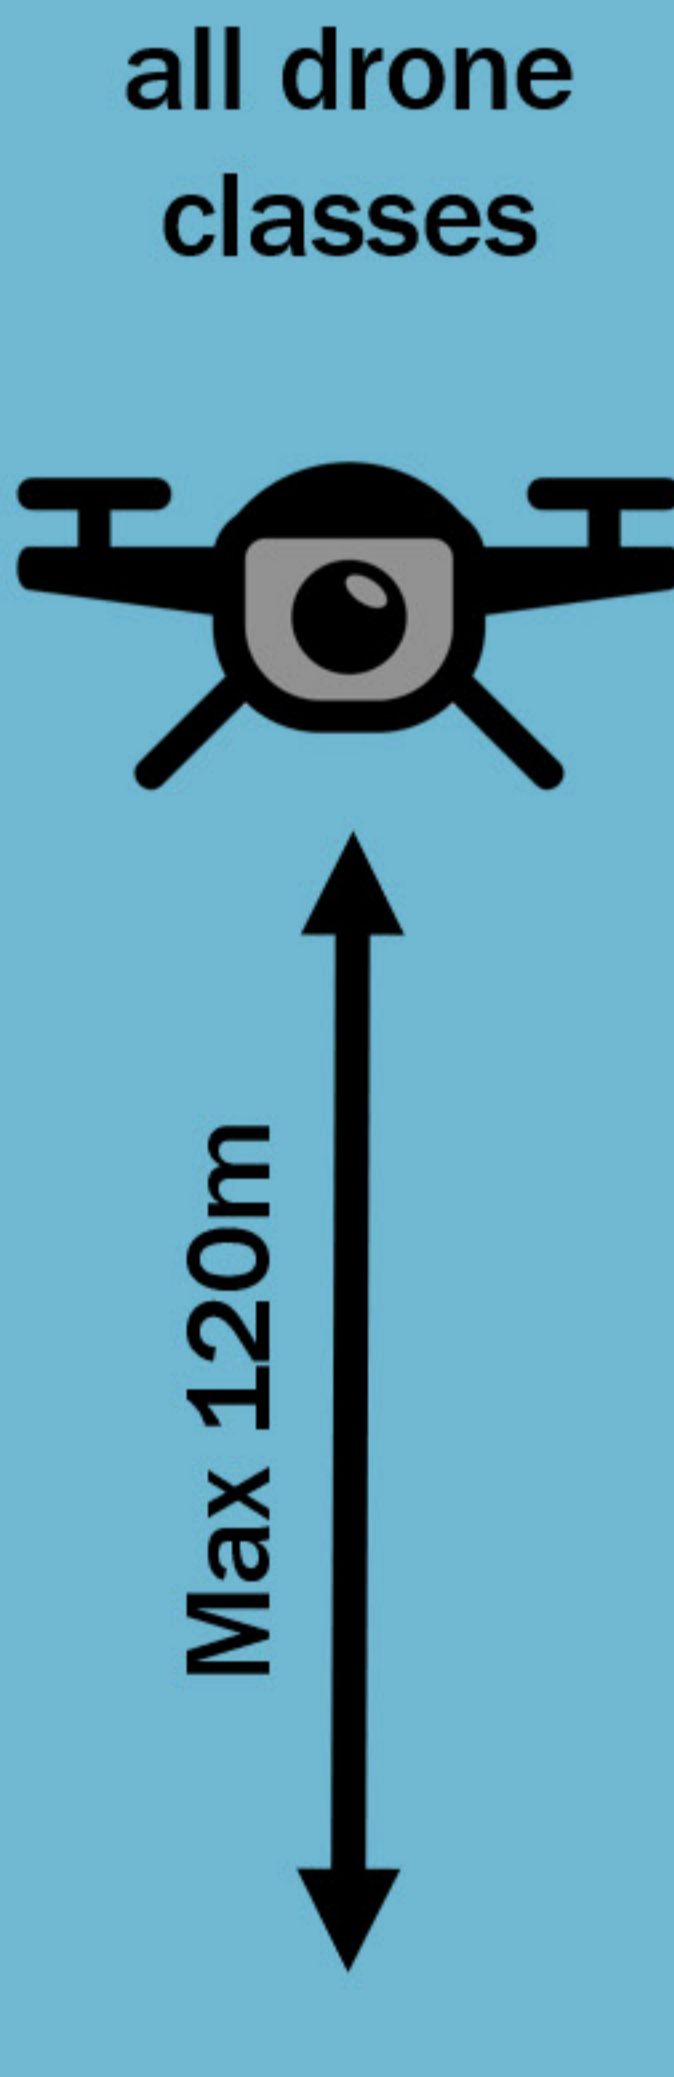

Start Here

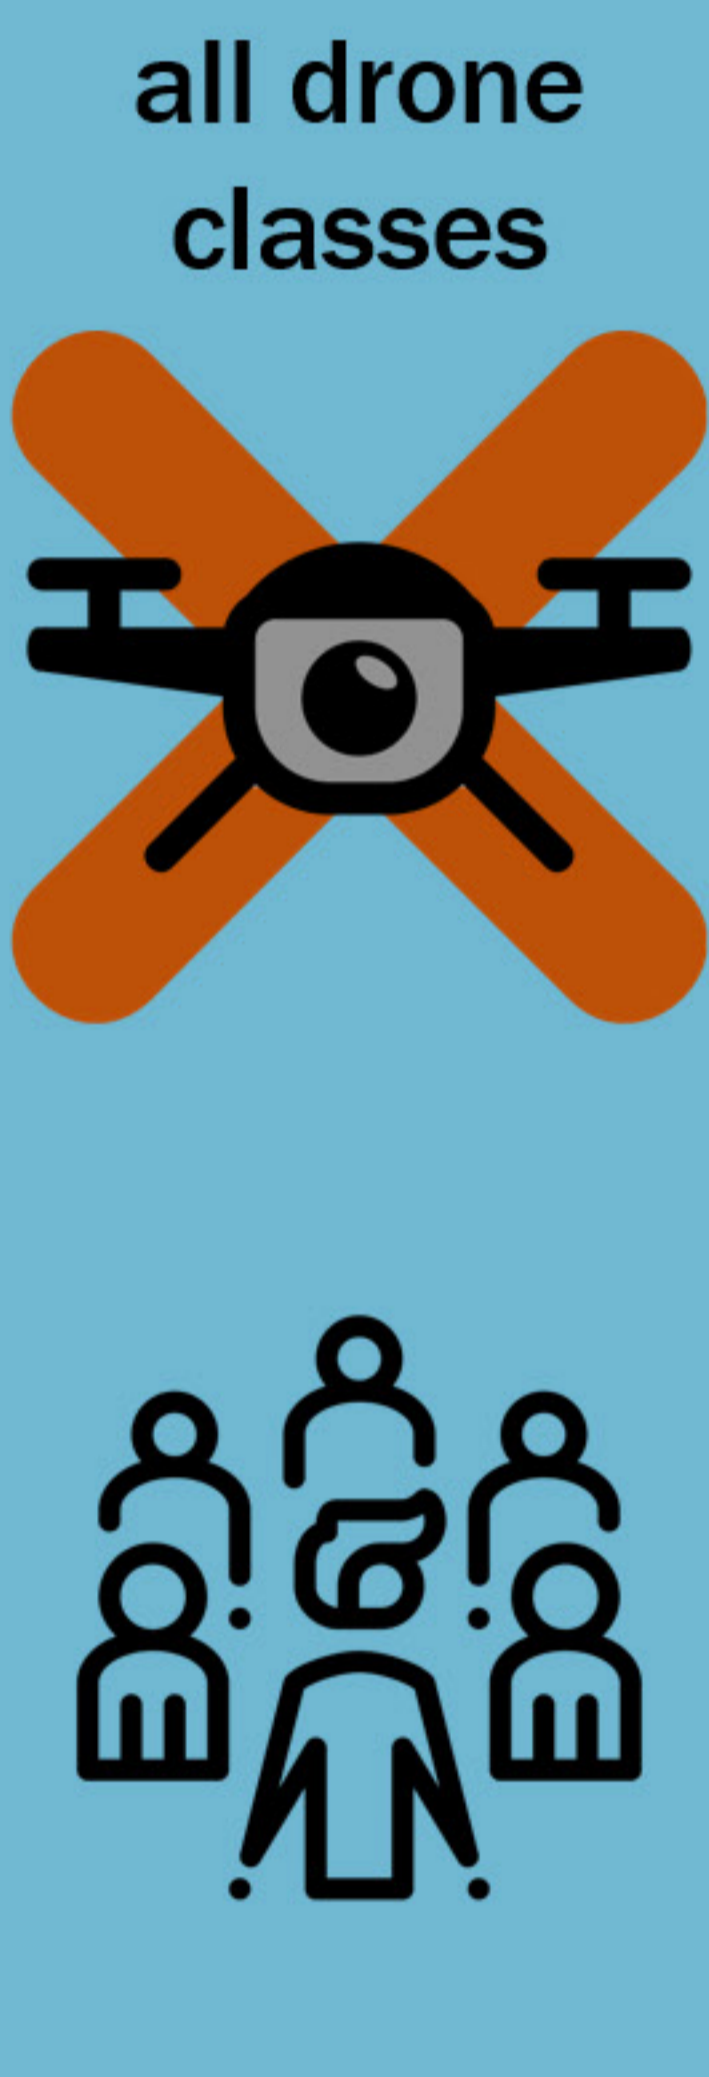

Overhead

Distance

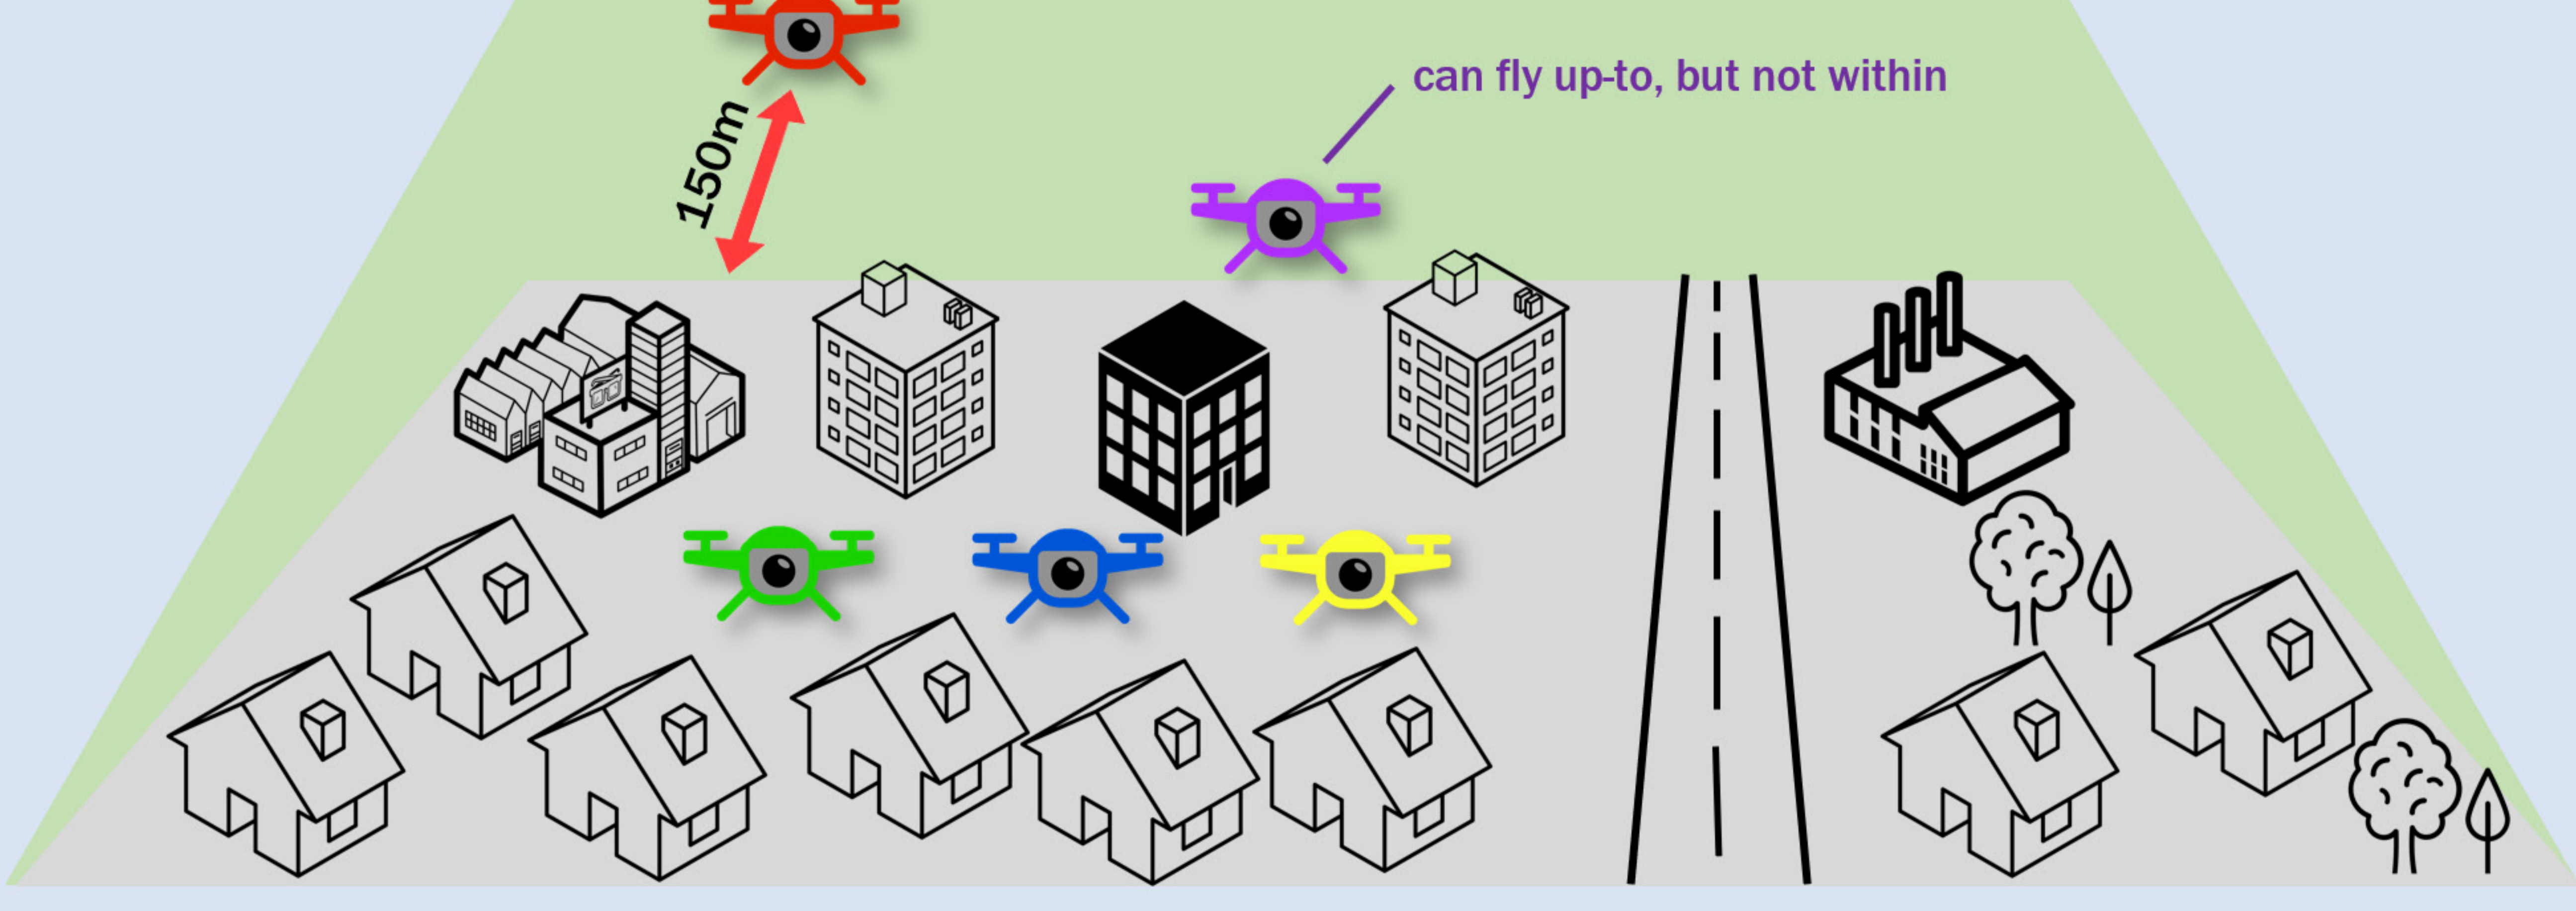

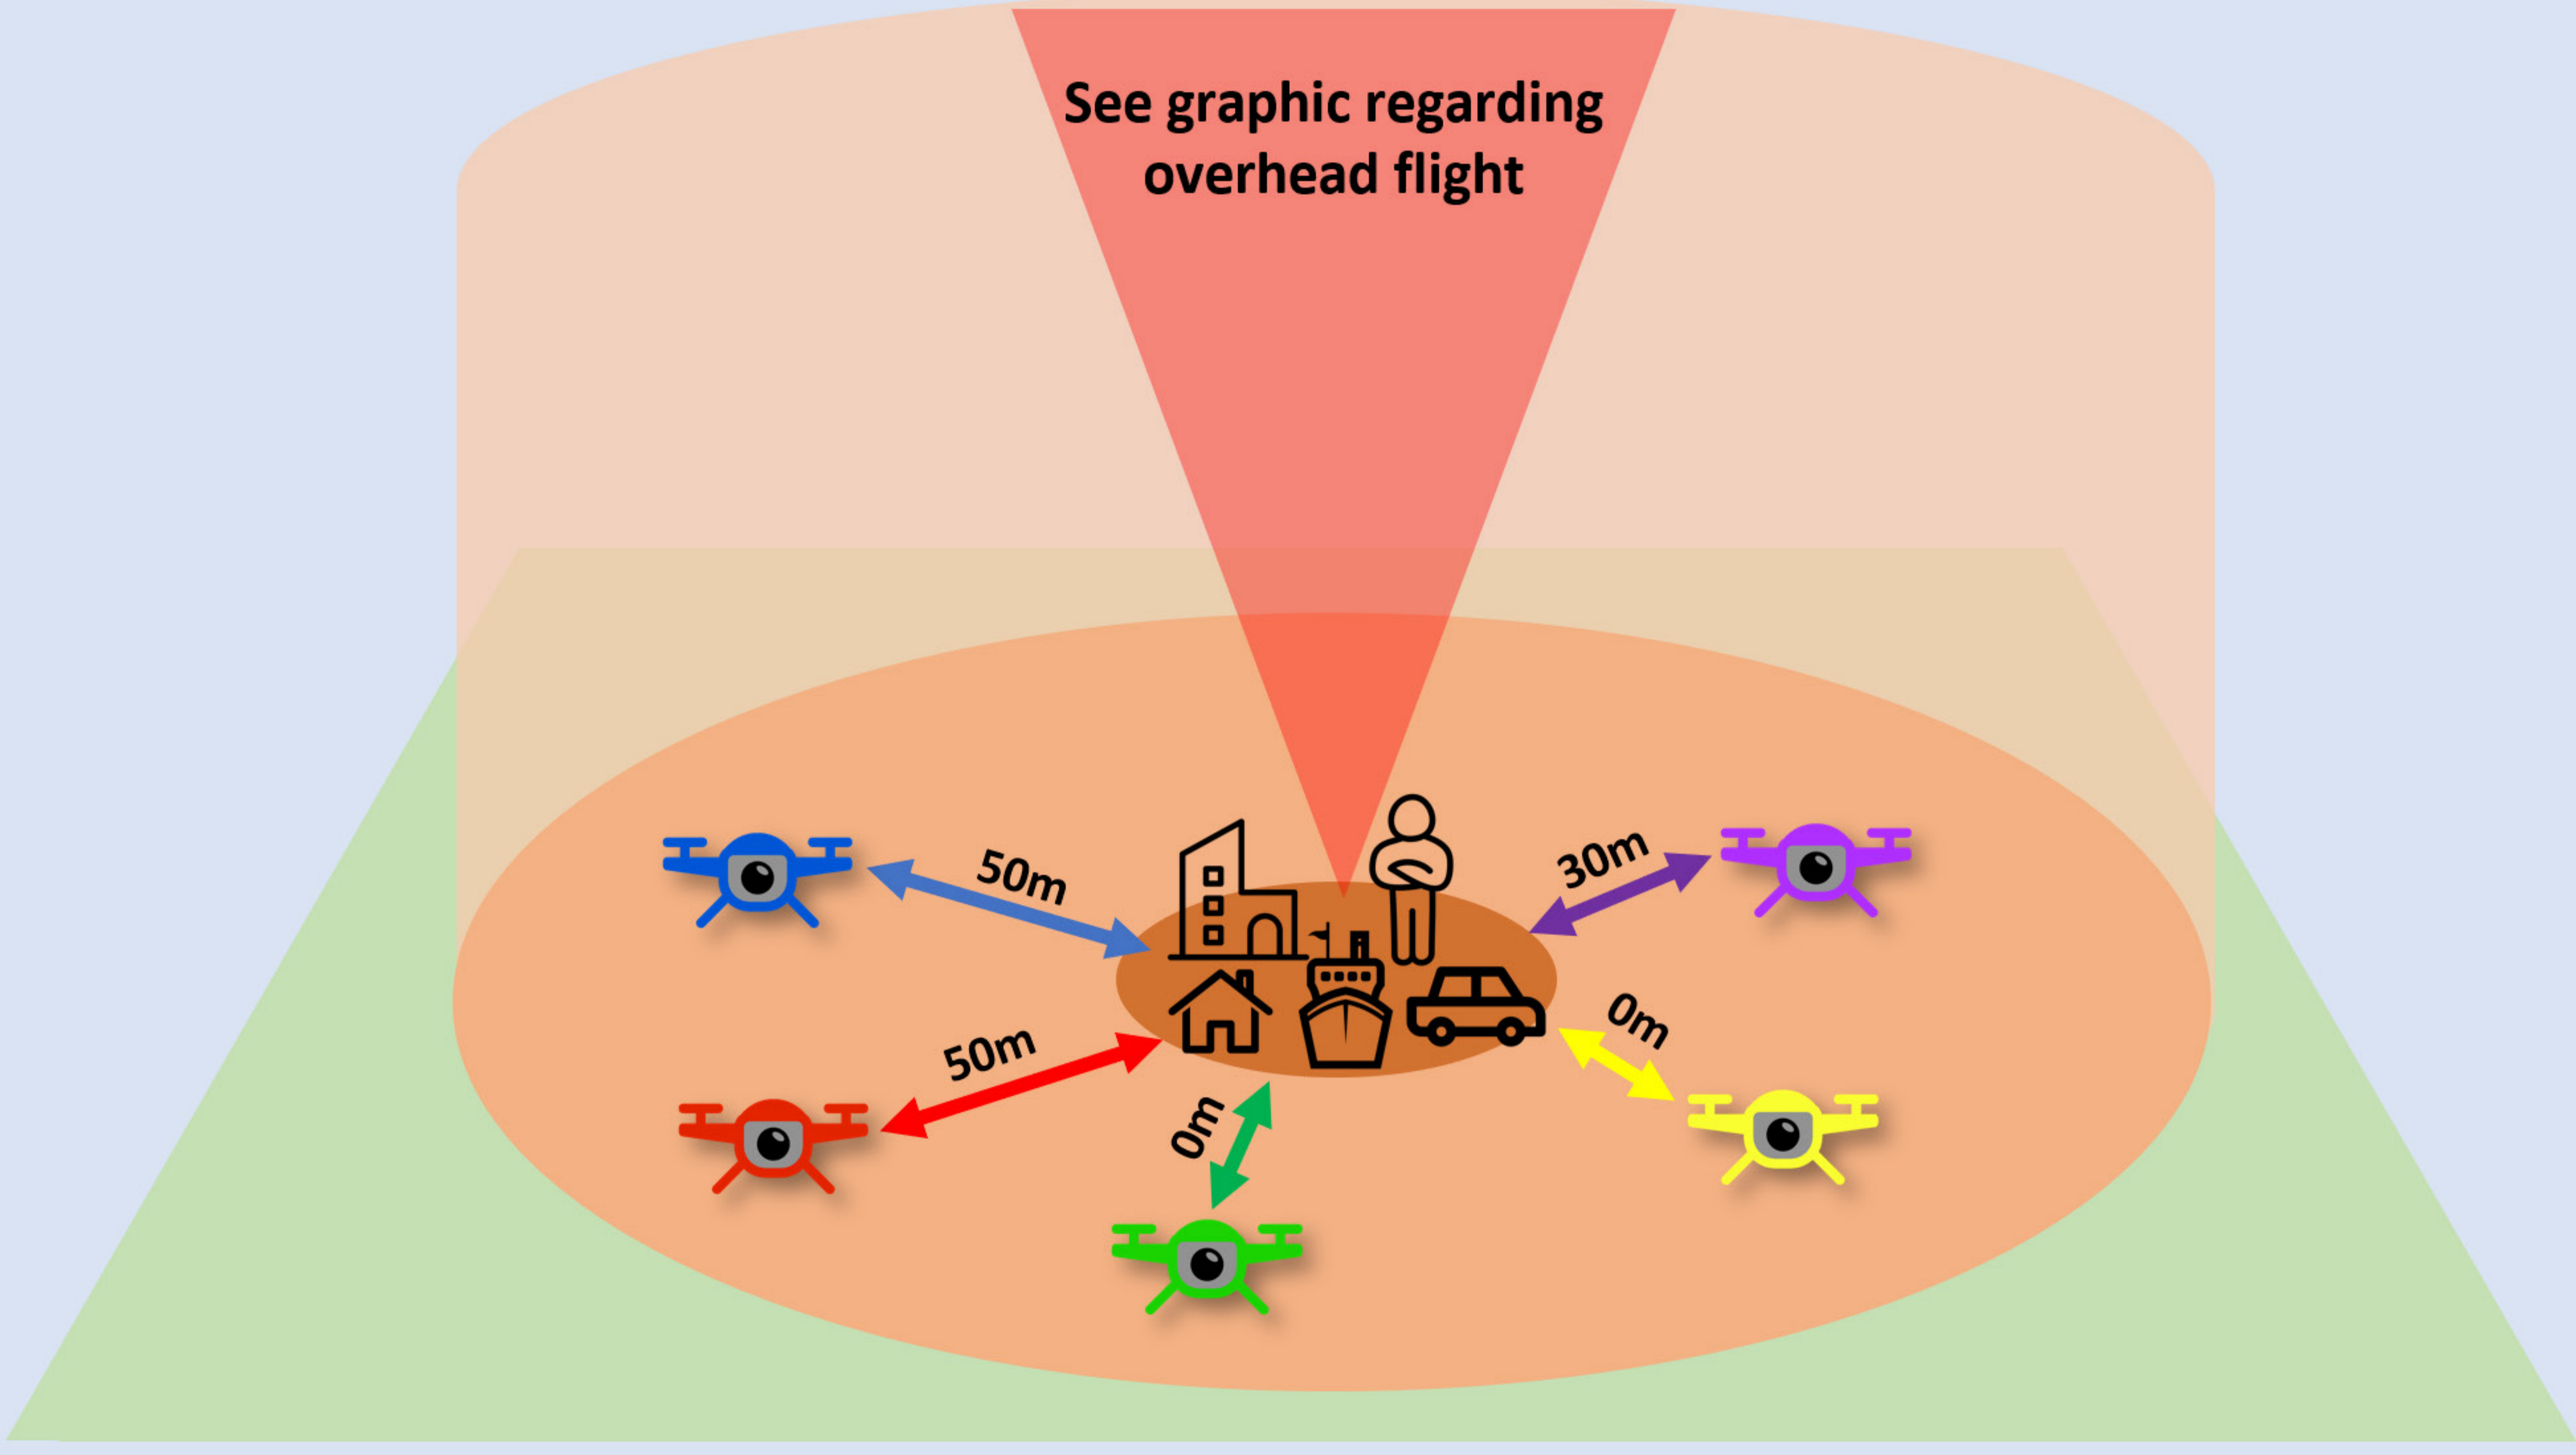

Height

Crowds

Horizontal distance from uninvolved individuals, buildings and vessels/vehicles containing unprotected people

Industrial, Commercial & Residential

Rules relating to distance from unprotected uninvolved individuals still apply

[i.e. cities, towns, housing estates, schools, tourist attractions, sports facilities, crowded beaches & parks, theme parks, shopping centres, warehouses, business parks, factories, docks, rail & transport hubs]

Recreational Areas – including those within built-up environments

Rules relating to distance from unprotected uninvolved individuals still apply
